Zadanie 2 (4 punkty / _____)

JOURNEY TO A NEW WORLD

About four hundred years ago, a wooden ship set sail from England towards North America. The Mayflower was designed to carry cargo, but this time it was carrying passengers instead. They spent most of their time at the bottom of the ship, where the cargo usually went, and where there was not enough room for an adult to stand up. There were 152 people on board, as well as cats, dogs, sheep, goats and chickens.

The voyage took over two months. There were bad storms and many people were terribly seasick. In addition, the awful conditions and limited diet soon made them weak and ill. All this time, they knew that they would probably never see their families and friends again, or their old homes.

Why did these travellers do it? Some of them were religious refugees, others were simply looking for adventure. As for the children, many of them were servants, with little control over their own lives. Together, these pioneers were the 'founding fathers' of the USA.

- 9.1 The inside of the ship was _____ for adult passengers to stand up.
9.2 People were travelling together with _____.
9.3 The journey on the ship was _____ long.
9.4 Mayflower passengers were ill and weak because they didn't have enough _____.

Zadanie 3 (3 punkty / _____)

London Restaurant Reviews

DIGITAL RESTAURANT

If your two passions are food and technology, this is the place for you. Your table is a huge tablet computer! Choose your food from the on-screen menu, then choose your virtual tablecloth! While you wait for your food, you can even play games! The food's great ... What's not to like?

BLIND CUISINE

This place is definitely different. Why? The restaurant is completely dark. You can't see anything – not each other, not the furniture, and definitely not the food. Instead, you have to trust the waiters, who are in fact all blind. The idea is this: when you can't see, your other senses become sharper, so you appreciate the food more. Why not try it out? It's an experience you won't forget!

THE LONDON BUS

Are you looking for an exciting new place to eat? How about dinner upstairs on a London bus? It's surprisingly comfortable, and they serve delicious vegetarian food. The kitchen is downstairs and the tables are upstairs, and in good weather you can sit outside too. Most people choose to climb the winding staircase, though, whatever the weather – it's excellent fun and the views are great.

Majka, jesteś w Londynie? Przyjechałam wczoraj z rodzicami i chętnie bym się z Tobą spotkała.

Jestem! Może spotkamy się w restauracji i zjemy coś przy okazji?

Dobry pomysł, tylko daj znać gdzie, bo ja nie bardzo się tu jeszcze orientuję.

Co powiesz na *Digital Restaurant*? Mają tam stoliki w kształcie tabletów, a jedzenie zamawiasz sama z menu na ekranie. I można

10.1 _____, gdy czeka się na jedzenie.

OK, to może *Blind Cuisine*? W restauracji jest kompletnie ciemno a jedzenie serwują 10.2 _____ kelnerzy.

Brzmi fajnie, ale szczerze powiedziawszy wolę z Tobą porozmawiać :).

Ale widzieć też bym Cię chciała :).

Co racja to racja :) To spotkajmy się w *The London Bus*. Ta restauracja jest faktycznie w piętrowym autobusie, a stoliki dla gości znajdują się **10.3** _____. Zamówimy pyszne wegetariańskie jedzenie i będziesz mogła pooglądać widoki :).

Super! To prześlij mi adres i daj znać, o której się widzimy.

Zadanie 4 (4 punkty / _____)

Przeczytaj reklamy trzech wyjazdów wakacyjnych A–C oraz zdania 11.1–11.4. Do każdego zdania dopasuj właściwy tekst. Wpisz rozwiązania do tabeli. Uwaga! Jeden tekst pasuje do dwóch zdań.

- A** Come to Trestan. It's a small village so you don't have to walk far to get to the shops or cafes. It is also amazingly quiet because no cars are allowed and, after a day in the clear, blue sea, most people are asleep by 9 p.m.
- B** Raha is a holiday with a difference. A car will take you to this house in the mountains and leave you with enough food and drink for a week. It will then collect you again a week later. Apart from that, you are on your own to enjoy the peace and quiet, far away from the discos and nightclubs of the nearest resort, over 50 km away.
- C** Come to Langstown this year. Stay right next to a lake in a popular village only 50 km from Manchester. The lake is perfect for fishing because there are no boats or swimmers to disturb the fish. The hills and forests near Langstown are a perfect place to explore on foot and you'll never be far from a friendly face. In the evenings, Langstown comes alive with parties and fun.

In this place you:

- 11.1 will be able to have fun at parties. ____
- 11.2 won't be disturbed by other people. ____
- 11.3 can enjoy swimming. ____
- 11.4 won't have to buy anything to eat or drink. ____
